Dear Chapter Members,

I would like to thank all of you for attending the different functions we have had during the month of June. I know it should be summer and riding season, but the good old weather has been giving us fits. I hope all of you are getting to do some dry riding. Dennis and Myself are attending the VA State H.O.G. Rally and we had to rent a car in order to get some dry weather inside the car. Hopefully we will see the sun one of the days so we can ride. Have a great summer and RIDE SAFE! See you next month. **DON'T FORGET YOU CAN STILL JOIN US AT WY STATE HOG RALLY IN LANDER 16 – 18 JULY.**

Ride and be SAFE

Meeting Minutes

Laura Hauffe - Secretary

June 13, 2009

Guests - Angi Lund

New Members - Lou and Karen who ride a Red Trike.

Dennis Rafferty made a motion to accept the minutes from the last meeting as is, Gary Rusk 2nd. Motion passed.

Dealer - Angi reported that the fights are starting on July 3. Tickets are on sale for \$10.00 and \$15.00. They do need volunteers to take tickets and help with the food. Please let her know if you would like to help out.

July 4th at the Train Depot will be "Calling All Harleys". Angi needs some volunteers to help with the judging of the bike show. This will be in the morning so you will be done early.

Old Business - we have been talking about combining the Hog Nobs and meetings at the same time. If you like this idea or not let any officer now. This would free up more time on Sundays to RIDE.

We will be taking a vote soon.

The Wyoming State Rally is July 16, 17, 18 in Lander. Pre-registration is now closed, but you can still register at the Rally. There are several people who are leaving Cheyenne on Thursday the 16th; Eric will be putting out an email of a time and place where they are meeting so they can all ride together.

Don't forget to RIDE, RIDE, and RIDE so that we can beat the Thornton Colorado Chapter in our mileage competition.

New Business - the BBQ'S that were every Saturday at Mavericks are now just once a month. Angi still needs help and will be putting out a schedule as to what Saturday they will be doing them. There is a possibility that the chapter will take over doing them on the other Saturdays. We are waiting approval from Mavericks. There would be a small charge for the food or donations and a portion of the money would go to the chapter and a portion to a local charity.

5 Million Mile Monday is June 29, 09. We will be getting an email out about a ride that we can do as a chapter in the early evening. Maybe somewhere for dinner. Any suggestions please let Scott or Bill know.

Hog Nob on July 11 will be at the Red Robin in Loveland. Meet at Mavericks at 12 pm.

The Other Corner

Well it is starting to be that time, to get out there and ride, only if the rain stops. This month seems to be a little busy for everyone, so many of us are going in different directions.

The state rally will be upon us before you know it. If you have not been to one of these rallies, you should try to make the time to go. You will not be disappointed, (especially ours).

Make sure you keep up on all the activities, which are coming up. There should be some great times.

With everyone so busy and June will be over soon, we will regroup in July for the rally and all the other events planned by our activities guru and all that help him. I also want to thank those members that helped on Saturdays at the BBQ; they are a big inspiration to all. Until then, ride safe.

Dennis

Ladies of Harley (LOH)

Gretchen Wells

Thank you all who went on the HOG Nob/ Meeting Saturday night it was a great turn out. It was nice to see some new faces also and it would be good to see more of you.

This weather has put a cramp in a lot of the riding but it's good to see some out riding in between storms.

I also would like to thank all the ladies, and everyone at Mavericks that participated and put together the Garage Party it was a real fun time and hope we can have many more.
